To Whom It May Concern:

I am writing this letter of recommendation for Noor El Amel Glenza. Ms. Glenza has been one of Education For Employment Tunisie Alumni (<http://www.efetunisie.org/>). EFE Tunisie is a local affiliate to EFE international ( <http://efe.org/our-network/tunisia> )

I have been able to witness firsthand many examples of Noor's exceptional skills and I remain impressed by her tenacity and solid commitment to training and civil society. I am happy to recommend Noor El Amel Glenza.

Noor El Amel is a born leader and is able to not only multi-task herself; she can efficiently delegate duties to others in order to reach her goals in completing a project. Her fellow classmates admire her and rather than be intimidated by her dedication, they are inspired by her. She won a first prize in entrepreneurship, while participating in a national contest for entrepreneurship (2014), an initiative organized by EFE Tunisie in association with Intel Corporation. Her success story is here <http://www.efetunisie.org/Fr/upload/1417014341.pdf>

Her educational record is a testament to her diligence and proven study skills. She was able to graduate with honors and is in the top students in her class. She would make a fine addition to your internship program and will be an asset to your community.

If you need any further recommendation for Ms. Glenza I would be happy to oblige. You can contact me directly using the contact information on this letterhead. Please feel free to contact me anytime.

Sincerely,

**Tarek LARBI**
